

Dear Parent,

SOF Olympiads 2024: In order to expose our students to the various competitive examinations, the school opts for SOF Olympiads (Offline Mode) every year. These Olympiads will give ample exposure to the student in various subjects like, General Knowledge, English Language, Science, Mathematics, Cyber Science, Social Studies and Environmental affairs. SOF Olympiad is chosen for our classes 3 – 10 students. To facilitate maximum registrations, this year we will start the registrations soon after the reopening in the month of August 2024. All the students who wish to participate are guided to prepare for these Olympiads well during the summer vacations. There are certain materials available online for purchase which could be checked as per the requirements. The weblink is as following www.mtg.in . The parents and students are guided to go through the link (<https://sofworld.org/>) and get to know more about these Olympiads and prepare themselves for the registration.
