Dear Parent,

You are invited...!

Kindly accept this note as an official invitation for Telesto 2024 (Science Exhibition) of our Girls' Section & Boys' Section (IV - X). Your presence will definitely grace the occasion.

Please make a note of the following information regarding **Girls' & Boys' Section Science Exhibition 2024**. As intimated, the Science Exhibition for IV to X will be held on **Nov 14, 2024 (Thursday)**.

1. The event is taking place at Respective Sections. The Girls Section Projects (IV to X) should be submitted at the GS itself. Likewise, the Boys Section (IV – X) projects should be submitted at the BS campus.

3. The submissions should be done between **Nov 11, 2024 & Nov 13, 2024 (Both days inclusive)**. Submissions shall not be taken before these days due to limitation of space for preserving the projects.
4. Please do not send the exhibits in the school bus, as there are chances of exhibits getting damaged.
5. The participating students of Classes IV – X have to come in the evening (as per the below schedule), in regular school uniform, labeled water bottle and light snacks.
6. Special arrangements, like Electrical Extension Cords etc., to be submitted with the project itself. Three pin adapters (if required) also to be brought. Multi Socket won't be available.
