Dear Parent,

Get your kid's boots laced up because the whistle is about to blow again! We are thrilled to announce the highly anticipated kickoff of the revamped HMR Evergreen FC Academy sessions, tentatively scheduled to resume on the first Friday of December 2025 (Dec 05, 2025). While we acknowledge the limitations of the past, our newly formed committee of dedicated parents has been working tirelessly on the sidelines to address those challenges and build a stronger, more supportive environment for our young champions. It is time to get back on the ground with renewed energy and a fresh vision. As it is a new start, new Jerseys shall be issued with new registrations and that too Free of Cost*.

In order to plan better, we request your views on rejoining/ joining the football academy.

Please sign and send back this circular tomorrow itself. Kindly put a tick (✓) on the required box to mark your interest.
