IX & X Only

Dear Parents,

We are pleased to inform you that we have partnered with the IIT Madras (India) to be part of their iconic School Connect Program, designed to provide high school students (Classes IX to XII) with hands-on experience, foundational knowledge, and clarity on future academic and career paths. This also aims to discover interests and explore streams (Science, Commerce, or Humanities) before choosing subjects in Class XI. The School Connect Programme is an Eight Week online course which can be taken at student's free time at their pace. The below are the courses offered.

- | | |
|---|---|
| 1) Introduction to Data Science and AI | 10) The Fundamentals of Aerospace |
| 2) Introduction to Electronic Systems | 11) Economics, Finance, and Money Matters |
| 3) Introduction to Architecture and Design | 12) Introduction to Chemical Engineering |
| 4) Introduction to Engineering Biological Systems | 13) Introduction to Product Design |
| 5) Introduction to Law | 14) Molecular Engineering: Opportunities and Challenges |
| 6) Fun with Math and Computing | 15) Introduction to Cyber Security |
